SIR,

Subject - Modified estimate for laying underground sewer pipe line in Munireddipalya, Bangalore City

****

I have the honour to state that under the Comprehensive Scheme of Drainage Works in Bangalore City, sanctioned in G O No L 3422-26/M1 90-41-4 dated 1st November 1941 an estimate for Rs 35,000/- was sanctioned for the above work Tenders were called for and the tender of M/s Sri Jayaram & Co for Rs 31,377/- for the work portion as against Rs 29,000/- provided for in the sanctioned estimate was accepted by Government in their Order No L 97079/M1 14943 52 dated 21 3-1946

The Engineer Officer reports that during the course of execution, the original proposal had to be slightly altered to shift the main sewer line to the northern side of the halla from the southern side as houses had been since constructed to the very edge of the halla on the Northern side and that therefore the estimate had to be revised as per actual requirements to - Rs 35,900/- A copy of the Engineer Officer's report accompanying the estimate herein enclosed explains in detail the necessity for the revision

This was placed before the Board at its Meeting held

P T O

held on 24-6-1948 when it was resolved -

"That the modified estimate for Rs 35,900/- be approved and necessary further action - taken "

I accordingly request that as resolved by the Board, - -sanctionxd of Government may kindly be obtained to the revised estimate for Rs 35,900/- submitted herewith The extra cost on this account will be met out of the ~~balances under the~~ General Savings of the Comprehensive Estimate of Drainage works sanctioned in Government ~~Drainage grant sanctioned to the Board.~~ Order dated 1-11-1941

---

With reference to your letter No L 6421 dated 13-12-1943 enquiring whether the work of laying underground sewer lines in Gunireddypalyam has been completed and whether there will be any difference in the amount of the estimate for Rs 35,900/- if the rate of Rs 1-1-6 per Rft, provided against item No 7 of the estimate is charged to Rs 1-6-6 per Rft, I have the honour to state that the work has been completed in all respects and there will be no difference in the amount of the revised estimate for Rs 35,900/- as already reported in this office letter No G 52/48 dated 21-7-1948 even if the rate of Rs 1-1-6 is charged to Rs 1-6-6 there will be sufficient savings under certain other items as finally measured, to meet the extra cost involved by the above change in the rates

2 I therefore request that as resolved by the Board, sanction of Government may kindly be obtained to the revised estimate for Rs 35,900/- as recommended in this office letter No G 52 dated 21-7-1948
